

This Atlassian Software License Agreement (the “**Agreement**”) is between you and the Atlassian entity that owns the Software that you are accessing or using listed [here](#) (“**Atlassian**” or “**we**”). If you are agreeing to this Agreement not as an individual but on behalf of your company, government, or other entity for which you are acting (for example, as an employee or governmental official), then “**you**” means your entity and you are binding your entity to this Agreement. Atlassian may modify this Agreement from time to time, subject to the terms in Section 21 (Changes to this Agreement) below. The Software is not intended for and should not be used by anyone under the age of 16. You must ensure that all Authorized Users are at least 16 years old.

The “**Effective Date**” of this Agreement is the date which is the earlier of (a) your initial access to or use of the Software (as defined below) or (b) the effective date of the first Order referencing this Agreement.

By clicking on the “I agree” (or similar button or checkbox) that is presented to you at the time of your Order, or by using or accessing the Software, you indicate your assent to be bound by this Agreement. If you do not agree to this Agreement, do not use or access the Software.

1. Scope of Agreement

1.1. Software. This Agreement governs your initial purchase of Atlassian’s Software, Support and Maintenance for the Software, and any Additional Services, as well as any future purchases made by you that reference this Agreement. This Agreement includes each Order, the Atlassian Policies, the Product-Specific Terms, and any other referenced policies and terms. The Software and its permitted use are further described in the Documentation. The term “Software” includes Documentation unless otherwise specified.

1.2. Cloud Products. This Agreement does not apply to Atlassian’s hosted or cloud-based solutions (currently designated as “Cloud” deployments), use of which requires a separate agreement with Atlassian.

2. Accounts; Authorized Users

2.1. Account Registration. You must register for an account with us in order to place Orders or access or receive Software. Your registration information must be accurate, current and complete. You must keep your registration current so that we may send notices, statements and other information to you by email or through your account. You are responsible for all actions taken through your account, including Orders made or Apps enabled (which may incur fees). If you order Software through a Reseller (defined in Section 7.8), then you are solely responsible for (i) any access by Reseller to your account and (ii) any related rights or obligations in your applicable agreement with the Reseller.

2.2. Authorized Users. Only Authorized Users may access and use the Software. Some Software may allow you to designate different types of Authorized Users, in which case pricing and functionality may vary according to the type of Authorized User. You are responsible for compliance with this Agreement by all Authorized Users, including what Authorized Users do with your data, and for all fees incurred by Authorized Users (or from adding Authorized Users). All use of Software must be solely for the benefit of you or your Affiliates (except as expressly permitted in Section 2.3 below) and must be within the Scope of Use.

2.3. Secondary Users. As may be further described in the Documentation, certain Software may be used as part of your support (or similar) resources related to your own products, e.g., use of Jira Service Desk as part of a helpdesk or use of Confluence to share your own documentation with your users. Subject to the terms and conditions of this Agreement, you may grant your own customers’ end users (“**Secondary Users**”) limited rights to use the Software solely so that they may view and interact with such resources. You may not permit Secondary Users to use the Software for purposes unrelated to supporting your own offerings or grant Secondary Users administrator, configuration or similar use of the Software. You may not charge Secondary Users a specific fee for use of the Software but you may charge an overall fee for your own offerings. You are responsible under Section 2.2 (Authorized Users) for all Secondary Users as “Authorized Users”

and are otherwise solely responsible for your own products, support offerings and Secondary relationships. Notwithstanding anything to the contrary in this Agreement, Atlassian has no direct or indirect warranty, indemnity or other liability or obligations of any kind to Secondary Users.

3. Use of the Software

3.1. Your License Rights. Subject to the terms and conditions of this Agreement, Atlassian grants you a non-exclusive, non-sublicensable and non-transferable license to install and use the Software during the applicable License Term for your own business purposes, in accordance with this Agreement, your applicable Scope of Use, the Documentation and all Laws.

3.2. Restrictions. Except as otherwise expressly permitted in this Agreement, you will not: (a) reproduce, modify, adapt or create derivative works of any part of the Software; (b) rent, lease, distribute, sell, sublicense, transfer, or provide access to the Software to a third party; (c) use the Software for the benefit of any third party; (d) incorporate the Software into a product or service you provide to a third party; (e) interfere with any license key mechanism in the Software or otherwise circumvent mechanisms in the Software intended to limit your use; (f) reverse engineer, disassemble, decompile, translate, or otherwise seek to obtain or derive the source code, underlying ideas, algorithms, file formats or non-public APIs to the Software, except to the extent expressly permitted by applicable law (and then only upon advance notice to us); (g) remove or obscure any proprietary or other notices contained in the Software; (h) use the Software for competitive analysis or to build competitive products; (i) publicly disseminate information regarding the performance of the Software; or (j) encourage or assist any third party to do any of the foregoing.

3.3. Number of Instances. Unless otherwise specified in your Order, for each Software license that you purchase, you may install one (1) production instance of the Software on systems owned or operated by you or one of your Authorized Users. We may also make available “developer” licenses free of charge for certain of our Software offerings to allow you to deploy non-production instances, such as for staging or QA purposes. Details for how to request non-production licenses are available on our website.

3.4. Product-Specific Terms. Some Software may be subject to additional terms specific to that Software as set forth in the Product-Specific Terms. By accessing or using a product covered by the Product-Specific Terms, you agree to the Product-Specific Terms.

3.5. Your Modifications. Subject to the terms and conditions of this Agreement (including Section 2 (Combining the Products with Open Source Software) of [Third Party Code in Atlassian Products](#)), for any elements of the Software provided by Atlassian in source code form and to the extent permitted in the Documentation, you may modify such source code solely for purposes of developing bug fixes, customizations and additional features for the Software. Any modified source code or Documentation constitutes “**Your Modifications**”. You may use Your Modifications solely in support of your permitted use of the Software (and only with your own instances of the Software), but you may not distribute the code to Your Modifications to any third party. Notwithstanding anything in this Agreement to the contrary, Atlassian has no support, warranty, indemnification or other obligation or liability with respect to Your Modifications or their combination, interaction or use with our Software.

3.6. Attribution. In any use of the Software, you must not remove, obscure, or alter in any way the following attribution to Atlassian on all user interfaces to the Software: “Powered by Atlassian,” which must in every case include a hyperlink to <http://www.atlassian.com>, and which must be in the same format as delivered in the Software.

3.7. System Requirements. You are solely responsible for ensuring that your systems meet the hardware, software and any other applicable system requirements for the Software as specified in the Documentation. Atlassian will have no obligations or responsibility under this Agreement for issues caused by your use of any third-party hardware or software not provided by Atlassian.

3.8. Indemnification by You. You will defend, indemnify and hold harmless Atlassian from and against any loss, cost,

liability or damage (including attorney's fees) arising from or relating to any claim brought against Atlassian (a) arising from or related to your breach of Section 2.3 (Secondary Users) or any claims or disputes brought by Secondary Users arising out of their use of the Software; (b) by a third party relating to Your Modifications (including but not limited to any representations or warranties you make about Your Modifications of the Software) or your breach of Section 3.5 (Your Modifications); (c) by a third party related to your Customer Materials, as defined in Section 6.2(b); or (d) by a third party relating to any non-Atlassian content or data used by you or your Secondary Users in connection with the Software. This indemnification obligation is subject to your receiving (i) prompt written notice of such claim (but in any event notice in sufficient time for you to respond without prejudice); (ii) the exclusive right to control and direct the investigation, defense, or settlement of such claim; and (iii) all reasonably necessary cooperation of Atlassian at your expense.

4. Apps and Third-Party Products.

4.1. Third Party Products. You (including your Authorized Users) may choose to use or procure other third-party products or services in connection with the Software, including Third Party Apps (see Section 4.2 (Marketplace Apps)) or implementation, customization, training or other services. Your receipt or use of any third-party products or services is subject to a separate agreement between you and the third-party provider. If you enable or use third-party products or services (including Third Party Apps as referenced in Section 4.2 (Marketplace Apps)) with the Software, you acknowledge that the third-party providers may access or use your data as required for the interoperation of their products and services with the Software. This may include transmitting, transferring, modifying or deleting your data, or storing your data on systems belonging to the third-party providers or other third parties. Any third-party provider's use of your data is subject to the applicable agreement between you and such third-party provider. **We are not responsible for any access to or use of your data by third-party providers or their products or services, or for the security or privacy practices of any third-party provider or its products or services. You are solely responsible for your decision to permit any third-party provider or third-party product or service to use your data. It is your responsibility to carefully review the agreement between you and the third-party provider, as provided by the applicable third-party provider. ATLASSIAN DISCLAIMS ALL LIABILITY AND RESPONSIBILITY FOR ANY THIRD-PARTY PRODUCTS OR SERVICES (WHETHER SUPPORT, AVAILABILITY, SECURITY OR OTHERWISE) OR FOR THE ACTS OR OMISSIONS OF ANY THIRD-PARTY PROVIDERS OR VENDORS.**

4.2. Marketplace Apps. As further described in the [Atlassian Marketplace Terms of Use](#), the [Atlassian Marketplace](#) lists a variety of Apps that may be used with the Software, including both Atlassian Apps and Third Party Apps. Atlassian Apps for Software are considered "Software" under this Agreement (unless Atlassian specifies otherwise through the Atlassian Marketplace). Third Party Apps are not Software and remain subject to their own applicable Vendor Terms. Atlassian may enable interoperation of the Software with Third Party Apps as set forth in Section 4.1 (Third Party Products). The terms "Apps", "Atlassian Apps", "Third Party Apps", "Vendor" and "Vendor Terms" are defined in the [Atlassian Marketplace Terms of Use](#), which is a separate agreement governing use of the Atlassian Marketplace.

5. Privacy Terms. Atlassian may collect certain data and information from you and Secondary Users in connection with your and Secondary Users' use of the Software and otherwise in connection with this Agreement. All such data and information will be collected and used by Atlassian in accordance with Atlassian's [Privacy Policy](#), which you acknowledge. You may disable data collection by the Software through the settings in the Software.

6. Atlassian Commitments

6.1. Support and Maintenance. During the period for which you have paid the applicable Support and Maintenance fee, Atlassian will provide Support and Maintenance for the Software in accordance with the [Atlassian Support Policy](#) and [Enterprise Support and Services Policy](#) (if applicable). Support and Maintenance for Software includes access to New Releases, if and when available, and any references to "Software" in this Agreement include New Releases.

6.2. Additional Services. Subject to this Agreement, you may purchase Additional Services from Atlassian, which

Atlassian will provide to you pursuant to the applicable Order. Additional Services may be subject to additional policies and terms as specified by Atlassian, including the [Enterprise Support and Services Policy](#).

(a) *Atlassian Deliverables*. Atlassian will retain all right, title and interest in and to any materials, deliverables, modifications, derivative works or developments that Atlassian provides in connection with any Additional Services ("**Atlassian Deliverables**"). You may use any Atlassian Deliverables provided to you only in connection with the Software, subject to the same usage rights and restrictions as for the Software. For clarity, Atlassian Deliverables are not considered Software, and any Software (including any New Release) is not considered an Atlassian Deliverable.

(b) *Customer Materials*. You agree to provide Atlassian with reasonable access to your materials, systems, personnel or other resources (including your instances of the Software) as reasonably necessary for Atlassian's provision of Additional Services ("**Customer Materials**"). If you do not provide Atlassian with timely access to Customer Materials, Atlassian's performance of Additional Services will be excused until you do so. You retain your rights in your Customer Materials, subject to Atlassian's ownership of any underlying Software, Atlassian Deliverables or other Atlassian Technology. Atlassian will use Customer Materials solely for purposes of performing the Additional Services. You represent and warrant that you have all necessary rights in Customer Materials to provide them to Atlassian for such purposes.

(c) *Training Not Covered*. Your purchase, and our provision, of Training is subject to our [Training Terms and Policies](#), which is a separate agreement.

7. License Term, Returns and Payment

7.1. License Term and Renewals. The License Term, Support and Maintenance period, and TAM services period will be indicated in the Order (as applicable). The License Term and any applicable service periods will commence on the Order date (unless a different start date is designated in the Order) and expire on the expiration date indicated in your account. Unless earlier terminated in accordance with this Agreement, each right to use Software will expire at the end of the applicable License Term. Unless you have selected the "autorenewal" option in your account, any renewals must be mutually agreed upon by the parties in writing. All renewals are subject to the applicable Software or Support and Maintenance continuing to be offered and will be charged at the then-current rates.

7.2. Delivery. We will deliver the applicable license keys to your account no later than when we have received payment of the applicable fees. You are responsible for accessing your account to determine that we have received payment and your Order has been processed. All deliveries under this Agreement will be electronic. For the avoidance of doubt, you are responsible for installation of the Software, and you acknowledge that Atlassian has no further delivery obligation with respect to the Software after delivery of the license keys.

7.3. Return Policy. As part of our commitment to customer satisfaction, you may terminate your initial Order of the applicable Software under this Agreement, for no reason or any reason, by providing notice of termination and returning any applicable Software to Atlassian no later than thirty (30) days after the Order date for such Software. In the event you terminate your initial Order under this Section 7.3, Atlassian may disable the license key that allowed the Software to operate and, at your request (which may be made through your account), Atlassian will refund you the amount paid under such Order. This termination and refund right applies only to your initial Order and only if you exercise your termination right within the period specified above, and does not apply to Additional Services. You understand that Atlassian may change this practice in the future in accordance with Section 21 (Changes to this Agreement).

7.4. Increased Scope of Use. During your License Term, you may increase your Scope of Use (e.g., adding Authorized Users, licenses, copies or instances) by placing a new Order or, if made available by Atlassian, directly through the applicable Software. Any increases to your Scope of Use will be subject to additional fees, as set forth in the applicable Order.

7.5. Payment. You will pay all fees in accordance with each Order, by the due dates and in the currency specified in the Order. If a purchase order number is required in order for an invoice to be paid, then you must provide such purchase

order number to Atlassian by emailing the purchase order number to accountsreceivable@atlassian.com. For Additional Services provided at any non-Atlassian location, unless otherwise specified in your Order, you will reimburse Atlassian for its pre-approved travel, lodging and meal expenses, which Atlassian may charge as incurred. Other than as expressly set forth in Section 7.3 (Return Policy) and Section 16 (IP Indemnification by Atlassian), all amounts are non-refundable, non-cancelable and non-creditable. You agree that we may bill your credit card or other payment method for renewals, additional users, expenses and unpaid fees, as applicable.

7.6. Taxes. Your fees under this Agreement exclude any taxes or duties payable in respect of the Software in the jurisdiction where the payment is either made or received. To the extent that any such taxes or duties are payable by Atlassian, you must pay to Atlassian the amount of such taxes or duties in addition to any fees owed under this Agreement. Notwithstanding the foregoing, you may have obtained an exemption from relevant taxes or duties as of the time such taxes or duties are levied or assessed. In that case, you will have the right to provide to Atlassian any such exemption information, and Atlassian will use reasonable efforts to provide such invoicing documents as may enable you to obtain a refund or credit for the amount so paid from any relevant revenue authority if such a refund or credit is available.

7.7. Withholding Taxes. You will pay all fees net of any applicable withholding taxes. You and Atlassian will work together to avoid any withholding tax if exemptions, or a reduced treaty withholding rate, are available. If Atlassian qualifies for a tax exemption, or a reduced treaty withholding rate, Atlassian will provide you with reasonable documentary proof. You will provide Atlassian reasonable evidence that you have paid the relevant authority for the sum withheld or deducted.

7.8. Reseller Orders. This Section 7.8 applies if you purchase the Software, Support and Maintenance or any Additional Services through an authorized partner or reseller of Atlassian ("**Reseller**").

(a) Instead of paying Atlassian, you will pay the applicable amounts to the Reseller, as agreed between you and the Reseller. Atlassian may suspend or terminate your rights to use Software if Atlassian does not receive the corresponding payment from the Reseller.

(b) Instead of an Order with Atlassian, your order details (e.g., Software, Scope of Use and License Term) will be as stated in the order placed with Atlassian by the Reseller on your behalf, and the Reseller is responsible for the accuracy of any such order as communicated to Atlassian.

(c) If you are entitled to a refund under this Agreement, then unless otherwise specified by Atlassian, Atlassian will refund any applicable fees to the Reseller and the Reseller will be solely responsible for refunding the appropriate amounts to you.

(d) Resellers are not authorized to modify this Agreement or make any promises or commitments on Atlassian's behalf, and Atlassian is not bound by any obligations to you other than as set forth in this Agreement.

7.9. Future Functionality; Separate Purchases. You acknowledge that the Software and Additional Services referenced in an Order are being purchased separately from any of our other products or services. Payment obligations for any products or services are not contingent on the purchase or use of any of our other products (and for clarity, any purchases of Software and Additional Services are separate and not contingent on each other, even if listed on the same Order). You agree that your purchases are not contingent on the delivery of any future functionality or features (including future availability of any Software beyond the current License Term or any New Releases), or dependent on any oral or written public comments made by Atlassian regarding future functionality or features.

8. No-Charge Software. We may offer certain Software (including some Atlassian Apps) to you at no charge, including free accounts, trial use, and Beta Versions as defined below (collectively, "**No-Charge Software**"). Your use of No-Charge Software is subject to any additional terms that we specify and is only permitted during the License Term we designate (or, if not designated, until terminated in accordance with this Agreement). Except as otherwise set forth in this Section, the terms and conditions of this Agreement governing Software, including Section 3.2 (Restrictions), fully apply to No-

Charge Software. We may terminate your right to use No-Charge Software at any time and for any reason in our sole discretion, without liability to you. You understand that any pre-release and beta versions of Software, and any pre-release and beta features within generally available Software, that we make available (collectively, **"Beta Versions"**) are still under development, may be inoperable or incomplete and are likely to contain more errors and bugs than generally available Software. We make no promises that any Beta Versions will ever be made generally available. In some circumstances, we may charge a fee in order to allow you to use Beta Versions, but the Beta Versions will still remain subject to this Section 8. All information regarding the characteristics, features or performance of any No-Charge Software (including Beta Versions) constitutes Atlassian's Confidential Information. To the maximum extent permitted by applicable law, we disclaim all obligations or liabilities with respect to No-Charge Software, including any Support and Maintenance, warranty, and indemnity obligations. NOTWITHSTANDING ANYTHING ELSE IN THIS AGREEMENT, ATLASSIAN'S MAXIMUM AGGREGATE LIABILITY TO YOU IN RESPECT OF NO-CHARGE SOFTWARE WILL BE US\$100.

9. Use of Atlassian Developer Assets. Access to any Atlassian APIs, SDKs or other Atlassian developer assets is subject to the [Atlassian Developer Terms](#) and not this Agreement.

10. License Certifications and Audits. At our request, you agree to provide a signed certification that you are using all Software pursuant to the terms of this Agreement, including the Scope of Use. You agree to allow us, or our authorized agent, to audit your use of the Software (including that of your Authorized Users). We will provide you with at least ten (10) days advance notice prior to the audit, and the audit will be conducted during normal business hours. We will bear all out-of-pocket costs that we incur for the audit, unless the audit reveals that you have exceeded the Scope of Use. You will provide reasonable assistance, cooperation, and access to relevant information in the course of any audit at your own cost. If you exceed your Scope of Use, we may invoice you for any past or ongoing excessive use, and you will pay the invoice promptly after receipt. This remedy is without prejudice to any other remedies available to Atlassian at law or equity or under this Agreement. To the extent we are obligated to do so, we may share audit results with certain of our third-party licensors or assign the audit rights specified in this Section 10 to such licensors.

11. Ownership and Feedback. The Software is made available on a limited license or access basis, and no ownership right is conveyed to you, irrespective of the use of terms such as "purchase" or "sale". Atlassian and its licensors have and retain all right, title and interest, including all intellectual property rights, in and to Atlassian Technology (including the Software). From time to time, you may choose to submit Feedback to us. Atlassian may in connection with any of its products or services freely use, copy, disclose, license, distribute and exploit any Feedback in any manner without any obligation, royalty or restriction based on intellectual property rights or otherwise. No Feedback will be considered your Confidential Information, and nothing in this Agreement limits Atlassian's right to independently use, develop, evaluate, or market products or services, whether incorporating Feedback or otherwise.

12. Confidentiality. Except as otherwise set forth in this Agreement, each party agrees that all code, inventions, know-how and business, technical and financial information disclosed to such party ("**Receiving Party**") by the disclosing party ("**Disclosing Party**") constitute the confidential property of the Disclosing Party ("**Confidential Information**"), provided that it is identified as confidential at the time of disclosure or should be reasonably known by the Receiving Party to be confidential or proprietary due to the nature of the information disclosed and the circumstances surrounding the disclosure. Any Atlassian Technology and any performance information relating to the Software will be deemed Confidential Information of Atlassian without any marking or further designation. Except as expressly authorized herein, the Receiving Party will (1) hold in confidence and not disclose any Confidential Information to third parties and (2) not use Confidential Information for any purpose other than fulfilling its obligations and exercising its rights under this Agreement. The Receiving Party may disclose Confidential Information to its employees, agents, contractors and other representatives having a legitimate need to know, provided that they are bound to confidentiality obligations no less protective of the Disclosing Party than this Section 12 and that the Receiving Party remains responsible for compliance by

them with the terms of this Section 12. The Receiving Party's confidentiality obligations will not apply to information which the Receiving Party can document: (i) was rightfully in its possession or known to it prior to receipt of the Confidential Information; (ii) is or has become public knowledge through no fault of the Receiving Party; (iii) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; or (iv) is independently developed by employees of the Receiving Party who had no access to such information. The Receiving Party may also disclose Confidential Information if so required pursuant to a regulation, law or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party the Disclosing Party will be entitled to appropriate equitable relief in addition to whatever other remedies it might have at law.

13. Term and Termination

13.1. Term. This Agreement is effective as of the Effective Date and continues until expiration of all License Terms, unless earlier terminated as set forth herein.

13.2. Termination for Cause. Either party may terminate this Agreement (including all related Orders) if the other party (a) fails to cure any material breach of this Agreement within thirty (30) days after written notice; (b) ceases operation without a successor; or (c) seeks protection under any bankruptcy, receivership, trust deed, creditors' arrangement, composition or comparable proceeding, or if any such proceeding is instituted against that party (and not dismissed within sixty (60) days thereafter).

13.3. Termination for Convenience. You may choose to stop using the Software and terminate this Agreement (including all Orders) at any time for any reason upon written notice to Atlassian, but, unless you are exercising your right to terminate early pursuant to Section 7.3 (Return Policy), upon any such termination (i) you will not be entitled to a refund of any pre-paid fees and (ii) if you have not already paid all applicable fees for the then-current License Term or related services period (as applicable), any such fees that are outstanding will become immediately due and payable.

13.4. Effects of Termination. Upon any expiration or termination of this Agreement, your license to the Software terminates (even if the License Term is identified as "perpetual" or if no expiration date is specified in your Order) and you must cease using and delete (or at our request, return) all Software and Confidential Information or other materials of Atlassian in your possession, including on any third-party systems operated on your behalf. You will certify such deletion upon our request. If this Agreement is terminated by you in accordance with Section 13.2 (Termination for Cause), Atlassian will refund you any prepaid Software fees covering the remainder of the then-current License Term after the effective date of termination. If this Agreement is terminated by Atlassian in accordance with Section 13.2 (Termination for Cause), you will pay any unpaid fees covering the remainder of the then-current License Term after the effective date of termination. In no event will termination relieve you of its obligation to pay any fees payable to Atlassian for the period prior to the effective date of termination. Except where an exclusive remedy may be specified in this Agreement, the exercise by either party of any remedy, including termination, will be without prejudice to any other remedies it may have under this Agreement, by law, or otherwise.

13.5. Survival. The following Sections will survive any termination or expiration of this Agreement: 3.2 (Restrictions), 3.8 (Indemnification by You), 4.1 (Third Party Products), 7.5 (Payment), 7.6 (Taxes), 8 (No-Charge Software) (disclaimers and use restrictions only), 10 (License Certifications and Audits), 11 (Ownership and Feedback), 12 (Confidentiality), 13 (Term and Termination), 14.3 (Warranty Disclaimer), 15 (Limitations of Liability), 16 (IP Indemnification by Atlassian) (but solely with respect to claims arising from your use of the Software during the License Term), 18 (Dispute Resolution), 19 (Export Restrictions), and 22 (General Provisions).

14. Warranties and Disclaimer

14.1. General Warranties. Each party represents and warrants that it has the legal power and authority to enter into this

Agreement. If you are an entity, you represent and warrant that this Agreement and each Order is entered into by an employee or agent of such entity with all necessary authority to bind such entity to the terms and conditions of this Agreement.

14.2. Virus Warranty. Atlassian further represents and warrants that it will take reasonable commercial efforts to ensure that the Software, in the form and when provided to you, will be free of any viruses, malware, or other harmful code. For any breach of the foregoing warranty, your sole and exclusive remedy, and Atlassian's sole obligation, is to provide a replacement copy of the Software promptly upon notice.

14.3. Warranty Disclaimer. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 14.1 (GENERAL WARRANTIES) AND 14.2 (VIRUS WARRANTY), ALL SOFTWARE, SUPPORT AND MAINTENANCE AND ANY ADDITIONAL SERVICES ARE PROVIDED "AS IS," AND ATLASSIAN AND ITS SUPPLIERS EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND, INCLUDING ANY WARRANTY OF NON-INFRINGEMENT, TITLE, FITNESS FOR A PARTICULAR PURPOSE, FUNCTIONALITY, OR MERCHANTABILITY, WHETHER EXPRESS, IMPLIED, OR STATUTORY. ATLASSIAN WILL NOT BE LIABLE FOR DELAYS, INTERRUPTIONS, SERVICE FAILURES OR OTHER PROBLEMS INHERENT IN USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS OR OTHER SYSTEMS OUTSIDE THE REASONABLE CONTROL OF ATLASSIAN. TO THE MAXIMUM EXTENT PERMITTED BY LAW, NEITHER ATLASSIAN NOR ANY OF ITS THIRD PARTY SUPPLIERS MAKES ANY REPRESENTATION, WARRANTY OR GUARANTEE AS TO THE RELIABILITY, TIMELINESS, QUALITY, SUITABILITY, TRUTH, AVAILABILITY, ACCURACY OR COMPLETENESS OF ANY SOFTWARE OR ANY CONTENT THEREIN OR GENERATED THEREWITH, OR THAT: (A) THE USE OF ANY SOFTWARE WILL BE SECURE, TIMELY, UNINTERRUPTED OR ERROR-FREE; (B) THE SOFTWARE WILL OPERATE IN COMBINATION WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEM, OR DATA; (C) THE SOFTWARE (OR ANY PRODUCTS, SERVICES, INFORMATION, OR OTHER MATERIAL PURCHASED OR OBTAINED BY YOU THROUGH THE SOFTWARE) WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS; (D) ERRORS OR DEFECTS WILL BE CORRECTED; OR (E) EXCEPT AS EXPRESSLY SET FORTH IN SECTION 14.2 (VIRUS WARRANTY), THE SOFTWARE IS FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. YOU MAY HAVE OTHER STATUTORY RIGHTS, BUT THE DURATION OF STATUTORILY REQUIRED WARRANTIES, IF ANY, WILL BE LIMITED TO THE SHORTEST PERIOD PERMITTED BY LAW.

15. Limitations of Liability

15.1. Consequential Damages Waiver. EXCEPT FOR EXCLUDED CLAIMS (DEFINED BELOW), NEITHER PARTY (NOR ITS SUPPLIERS) WILL HAVE ANY LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT FOR ANY LOSS OF USE, LOST OR INACCURATE DATA, LOST PROFITS, FAILURE OF SECURITY MECHANISMS, INTERRUPTION OF BUSINESS, COSTS OF DELAY OR ANY INDIRECT, SPECIAL, INCIDENTAL, RELIANCE OR CONSEQUENTIAL DAMAGES OF ANY KIND, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.

15.2. Liability Cap. EXCEPT FOR EXCLUDED CLAIMS, EACH PARTY'S AND ITS SUPPLIERS' AGGREGATE LIABILITY TO THE OTHER ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL NOT EXCEED THE AMOUNT ACTUALLY PAID OR PAYABLE BY YOU TO US UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE CLAIM.

15.3. Excluded Claims. "**Excluded Claims**" means (1) amounts owed by you under any Orders, (2) either party's express indemnification obligations in this Agreement, and (3) your breach of Section 3.2 (Restrictions) or of Section 2 (Combining the Products with Open Source Software) of [Third Party Code in Atlassian Products](#).

15.4. Nature of Claims and Failure of Essential Purpose. The parties agree that the waivers and limitations specified in this Section 15 (Limitations of Liability) apply regardless of the form of action, whether in contract, tort (including negligence), strict liability or otherwise and will survive and apply even if any limited remedy specified in this Agreement is found to have failed of its essential purpose.

16. IP Indemnification by Atlassian. We will defend you against any claim brought against you by a third party alleging

that the Software, when used as authorized under this Agreement, infringes a patent right granted in the United States, Australia or a member nation of the European Union or a copyright registered in such a jurisdiction (a “**Claim**”), and we will indemnify you and hold you harmless against any damages and costs finally awarded on the Claim by a court of competent jurisdiction or agreed to via settlement executed by Atlassian (including reasonable attorneys’ fees), provided that we have received from you: (a) prompt written notice of the Claim (but in any event notice in sufficient time for us to respond without prejudice); (b) reasonable assistance in the defense and investigation of the Claim, including providing us a copy of the Claim, all relevant evidence in your possession, custody, or control, and cooperation with evidentiary discovery, litigation, and trial, including making witnesses within your employ or control available for testimony; and (c) the exclusive right to control and direct the investigation, defense, and settlement (if applicable) of the Claim. If your use of the Software is (or in our opinion is likely to be) enjoined, whether by court order or by settlement, or if we determine such actions are reasonably necessary to avoid material liability, we may, at our option and in our discretion: (i) procure the right or license for your continued use of the Software in accordance with this Agreement; (ii) substitute substantially functionally similar Software; or (iii) terminate your right to continue using the Software and refund any license fees pre-paid by you for use of the Software for the terminated portion of the applicable License Term or, in the case of any “perpetual” licenses, the license fee paid by you as reduced to reflect a three (3) year straight-line depreciation from the license purchase date. Atlassian’s indemnification obligations above do not apply: (1) if the total aggregate fees received by Atlassian with respect to your license to Software in the twelve (12) month period immediately preceding the Claim is less than US\$50,000; (2) if the Software is modified by any party other than Atlassian, but solely to the extent the alleged infringement is caused by such modification; (3) if the Software is used in combination with any non-Atlassian product, software, service or equipment, but solely to the extent the alleged infringement is caused by such combination; (4) to unauthorized use of Software; (5) to any Claim arising as a result of (y) circumstances covered by your indemnification obligations in Section 3.8 (Indemnification by You) or (z) any third-party deliverables or components contained with the Software; (6) to any unsupported release of the Software; or (7) if you settle or make any admissions with respect to a Claim without Atlassian’s prior written consent. 18.3. Injunctive Relief; Enforcement. Notwithstanding the provisions of Section 18.1 (Informal Resolution) and Section 18.2 (Governing Law; Jurisdiction), nothing in this Agreement will prevent Atlassian from seeking injunctive relief with respect to a violation of intellectual property rights, confidentiality obligations or enforcement or recognition of any award or order in any appropriate jurisdiction.

18.4. Exclusion of UN Convention and UCITA. The terms of the United Nations Convention on Contracts for the Sale of Goods do not apply to this Agreement. The Uniform Computer Information Transactions Act (UCITA) will not apply to this Agreement regardless of when or where adopted.

21. Changes to this Agreement.

21.1. Modifications Generally. We may modify the terms and conditions of this Agreement (including Atlassian Policies) from time to time, with notice given to you by email, through the Software or through our website. Together with notice, we will specify the effective date of the modifications.

No-Charge Software: You must accept the modifications to continue using the No-Charge Software. If you object to the modifications, your exclusive remedy is to cease using the No-Charge Software.

Paid Licenses: Typically, when we make modifications to the main body of this Agreement (excluding the Atlassian Policies), the modifications will take effect at the next renewal of your License Term and will automatically apply as of the renewal date unless you elect not to renew pursuant to Section 7.1 (License Term and Renewals). In some cases – e.g., to address compliance with Laws, or as necessary for new features – we may specify that such modifications become effective during your then-current License Term. If the effective date of such modifications is during your then-current License Term and you object to the modifications, then (as your exclusive remedy) you may terminate your affected Orders upon notice to us, and we will refund to you any fees you have pre-paid for use of the affected Software for the terminated portion of the applicable License Term. To exercise this right, you must provide us with notice of your objection and termination within thirty (30) days of us providing notice of the modifications. For the avoidance of doubt, any Order is subject to the version of this Agreement in effect at the time of the Order.

Atlassian Policies: Our products and business are constantly evolving, and we may modify the Atlassian Policies from time to time, including during your then-current License Term in order to respond to changes in our products, our business, or Laws. In this case, unless required by Laws, we agree not to make modifications to the Atlassian Policies

that, considered as a whole, would substantially diminish our obligations during your then-current License Term. Modifications to the Atlassian Policies will take effect automatically as of the effective date specified for the updated policies.
